# TEAM BUILDING

## ROCK BANDS

Light up the room with excitement! Rock Bands light up on your cue, allowing Marvelless Mark to literally “conduct” the crowd to the beat of the music. With a Rock Band on everyone’s wrist, and a drumstick in everyone’s hands, your event literally pulses and beats with enthusiasm! They’re a fantastic new way to bring your team building, training or general session to life.

## SCHOOL OF ROCK

Let the world of rock n roll show you how to be a rock star in your own business! At the School of Rock, everyone is part of the band. These “musicians for a day” get to brainstorm, plan and create in preparation for their big moment on stage. And as they do, they also come together as a team, become more confident and have a rockin’ good time!

## BATTLE OF THE BANDS

Who hasn’t fantasized about being a rock star? Battle of the Bands makes that fantasy a reality. Your business rock stars get to do it all—create the songs, wear the outfits and best of all, belt out the songs. Battle of the Bands can be a finale to School of Rock or stand alone as its own presentation. Either

way, it will be a hit!

## RHYTHMS IN BUSINESS & GAME SHOW MANIA

In Rhythms in Business, everyone works together, beating their souvenir drumsticks as Marvelless Mark talks about beating the competition, drumming up business and many more key business concepts. Game Show Mania contestant teams answer questions about your company or business, or come up with on the fly solutions to real life business challenges. Both activities create a fun-filled and memorable rock n roll team building experience!
