## Marvelous Mark: The Business Rock Star

Ever wonder how legends like The Beatles, The Rolling Stones, Aerosmith, Madonna, and Tina Turner became household names? You may think it was sheer talent, or maybe they were just lucky. However, what really made the difference was their solid business sense. Why not put those same rock star business principles to work for you and your team?

Marvelous Mark, (Mark Kamp) author of the acclaimed business book, *Opportunity Rocks*, was recently featured in the **USA Today, Small Business Trendsetters, Business Innovators**, and **TBN**. Mark combines years of entrepreneurial success with his natural abilities as an entertainer, radio personality, and Las Vegas headliner to show how **any** business can be transformed, from garage band to legend, using Mark's proven strategies... proven not only by the success of the greatest rock legends, but also by Mark's personal success. In short, Mark will show your team how to be business rockstars and **they'll have a blast doing it!**

Energetic. Charismatic. Brilliant. Interactive. That's Marvelous Mark. **But you have to witness him in person to feel the transformational power of his keynote experience.** Audiences are fascinated by the wisdom of rock stars and no one delivers it like Mark- a priceless, attention-grabbing session that is proven to increase attendee productivity resulting in company profits.

The secret that Mark reveals- is that the business sense that propelled rock and roll's greatest- works for any business. Including yours. Step into Mark's **Opportunity Rocks** and learn the rock star business secrets. Apply them- then watch your business hit the top of the charts.
